About Us

The Wichita Falls Art Association is a non-profit organization that is dedicated to promoting visual arts in the North Texas area. We were founded in 1949 by a small group of artists at the Woman's Forum.

Our association provides a medium in which the public can view various forms of local art. Additionally, the WFAA contributes scholarships to beginning art students and occasionally provides art supplies to local schools.

The WFAA is proud to be a member organization at the Kemp Center for the Arts. WFAA members are entitled to show art work at any event in which the WFAA participates. These events usually include the Home and Garden Show, the "Artists to Watch Show", and the WFAA Membership Show at the WFMA. We may host special workshops, and take occasional trips to art galleries and museums.

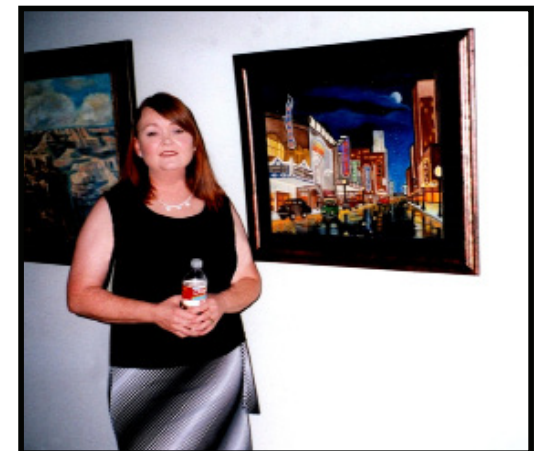

Regularly monthly meetings are held at noon on the third Wednesday of each month at the Kemp Center for the Arts (1300 Lamar). WFAA information is communicated through our regular monthly newsletter, which is mailed to each member during the week before the regular monthly meetings.
